## Overview

This appliance, as supplied, may **ONLY** be installed in an existing unaltered, functioning solid-fuel burning fireplace with a working flue and constructed of non-combustible material.

This appliance may be installed in outdoor, weather-protected environments as defined in the GV60CKO Outdoor Conversion Kit instruction manual.

This appliance is **APPROVED** for installation into combustible type construction only when using the 770ZCK—Zero Clearance Kit (see separate instructions packaged with the kit for details).
